

Online Training Classes

A comprehensive list of the various online training courses that Environmental Health & Safety has to offer.

Laboratory & Chemical Safety

- CSU – Laboratory Safety Fundamentals
- Fundamentals of Laser Safety
- Global Harmonization System (GHS) of Hazard Communication
- Chemical Hygiene Plan – Online
- Chemical Spill Response and Safety - Online
- Cryogenics and Compressed Gas Safety- Online
- Formaldehyde Safety – Online
- Fume Hood Safety- Online
- Laboratory Safety Overview/Refresher- Online
- Safety Data Sheets (SDS) – Online
- Pyrophoric Liquids Safety- Online
- Radiation Safety PART A – Online
- Radiation Safety PART B – Online
- Autoclave – Online
- Laboratory Centrifuge Safety - Online

Biosafety

- Biological Hazards Safety – Online
- Bloodborne Pathogens – Online
- Infection Prevention, General Orientation – Online
- Shipping Biologicals Part A - Online Training
- Shipping Category A Biological Substances without Dry Ice - Online Training
- Shipping Category A Biological Substances with Dry Ice - Online Training
- Shipping Category B Biological Substances without Dry Ice - Online Training
- Shipping Category B Biological Substances with Dry Ice - Online Training

Occupational Health & Safety

- Aerial Lift Operator Safety – Online
- Asbestos Awareness – Online
- Back Injury Prevention – Online
- Building Maintenance Safety Part 1 – Online

- Building Maintenance Safety Part 2 – Online
- Confined Space Entry- Online
- Electrical Safety – Online
- Forklift Operator Safety – Online
- Hand and Power Tool Safety – Online
- Hearing Conservation- Online
- Ladder Safety- Online
- Lockout Tagout Safety- Online Refresher
- Maintenance Person Safety – Online
- Welding, Cutting, and Brazing Safety – Online
- Respiratory Protection Safety Training- Online
- Respiratory Safety-Differences Between Respirators and Surgical Masks – Online
- Personal Protective Equipment – Online
- Slips and Falls Prevention – Online
- Fall Protection- Online
- Restroom Cleaning – Online
- Workplace Violence Prevention- Online
- Aquatic Lifts Tutorial - Online

Environmental Health

- Campus Health and Safety Requirements – Online
- Food Handler Safety- Online
- Fats, Oils & Grease-Keeping it Out of Our Sanitation System – Online

Vehicle Safety

- Defensive Driver Training – Online
- Small Cart (Utility Cart) Safety- Online
- Utility Trailer Towing Safety- Online
- Van Driver Safety Training- Online

Theater Arts Safety

- Studio Art Safety for Ceramics – Online
- Theater Arts Safety – Online

Fire & Life Safety

- Evacuation Chair
