

## What We are Doing to Protect You

Following are some of the public health practices we are using to protect our staff, students, and visitors on campus. These practices are to provide protection to YOU and our staff.

### HEALTH SCREENING

1. Prior to entering our building, all staff and visitors have been self-assessed to ensure all who are present are free of symptoms related to COVID-19.
2. Your cooperation is greatly appreciated and plays an important part in helping our community stay healthy.

### PERSONAL HYGIENE

1. Hand sanitizer has been made available at public entries and other locations on campus, with instructions for proper hand hygiene also placed near all hand sanitizer dispensers and hand washing sinks.
2. At minimum, hand hygiene should be conducted upon arrival, before touching your face, after coughing or sneezing, prior to leaving.
3. Avoid use of shared items such as pens, supplies and paperwork when possible.
4. For your protection and the protection of others face coverings are required while on campus.

### PHYSICAL DISTANCING

1. We are limiting the number of visitors in this area to assist in maintaining social distancing.
2. Maximum number of visitors in this area shall not exceed \_\_\_ people.
3. Traffic flow arrows have been placed throughout to communicate the direction you should walk from the time you enter until you exit
4. You will see signs and hear announcements reminding you of the importance of maintaining safe physical distance, the importance of frequent hand hygiene and to avoid shaking hands or other greetings that require close contact.
5. Floor markings have been placed in areas where lines are generally formed, to ensure safe physical distancing.
6. Please do not socialize or linger in public areas more than in necessary.

### PROTECTIVE EQUIPMENT

1. No personal protective equipment required.

### ENVIRONMENTAL CLEANING

1. Frequently touched surfaces in visitor accessible areas (e.g., doorknobs, handrails) are being cleaned and disinfected prior to opening each day, and regularly throughout the day during times when visitors have access and at the end of the day.
