

# SINGLE DAY ACCESS FORM (COVID-19) FOR EMPLOYEES WITHOUT REGULAR USE BADGES

- For Faculty, Staff, and Student Employee Use only
  - Only student employees who receive permission from their MPP Supervisor may come to campus. If a student leader must come to campus, an MPP Supervisor must submit the form on their behalf. The MPP Supervisor will need to accompany the student leader and both must wear proper face coverings.
- The Single Day Access Form is integrated into a Division's existing process to grant approval for an employee to come to campus under the criteria defined by the Infectious Diseases Workgroup:

*Any employee who needs to come to campus **occasionally** to collect work related items or complete a work function that **cannot be done from home** must first get approval from their manager via the [Single Day Access Form](#). Instructions on health self-check and PPE will be provided in the confirmation emails. Only approved employees are allowed on campus at this time.*
- The form link can be found in the [COVID-19 FAQ page](#) and will be in the HRDI bi-weekly newsletter.
